TRADE AND DEVELOPMENT BOARD

GENERALIZED SYSTEM OF PREFERENCES

Scheme of Sweden

Amendment

The Permanent Mission of Sweden has transmitted to the UNCTAD secretariat the following communication concerning that country's scheme of generalized system of preferences:

"... has the honour to inform you that, owing to their status as a least developed country, the Solomon Islands, the Republic of Zambia and the Republic of Zaire, are now granted preferential treatment for all products under HS chapters 1-97 in the Swedish generalized scheme of preferences, as from 1 January 1992.

"If the Democratic Republic of Madagascar and Cambodia fulfil the notification formalities, they will also be granted duty-free treatment under the Swedish scheme as least developed countries."
